Hi,

I'd like to meet with you to discuss the ongoing quality of life concerns at the Alpine Rec Center and identify how we can partner to address them. Is everyone available to meet at the center on Tuesday, June 11th at 3:30 PM? Thanks!

Not yet. It will be relatively basic though (overview of issues in park from rec center, enforcement jurisdiction from park rangers/lapd and an overview of interactions & services provided to Mr. Henderson). I'm not going to get into the details of the outreach plan for Mr. Henderson with this group. What agenda items would you like to add?

Hi Tia,

Just want to make sure I have my t's crossed and i doted before I go to the meeting. I know this park is used by Seniors and students that attend Castelar EL. We need to have Park Staff do their job and report, report and report. It will help us in the long run. Hope a strong Plan comes out of this meeting.

thanks.

Agreed. And I'm sure security pamphlets for the public would help with the reporting initiative. The SLO's won't be at this meeting but Sarge Flanagan should be so we can have a convo about enforcement.
